

Berlin Yacht Club
Sailing Camp Release and Indemnification Agreement

In consideration of my child or ward (“child”) being allowed to participate in Berlin Yacht Club’s Sailing Camp (“Camp”), the undersigned (referred to as “I” or “me”) represent and agree, both for myself and the child as follows:

I understand and appreciate the risks involved with both recreational and competitive sailing and the child’s participation in the camp. I understand and appreciate that there is a risk and a potential for bodily injury, including death, resulting from such activity. I have taken this risk into account in assessing the benefits to the child of participating in the Camp.

I voluntarily and knowingly assume any and all risks associated with the child participating in the Camp. I agree that the decision as to whether or not the child will be allowed to participate in the Camp is mine alone and I agree to independently obtain such information as I believe may be necessary or beneficial to make an informed decision about the child participating in the Camp.

I have obtained such medical and liability insurance as I deem necessary to protect me and the child from injury or damage to the child and claims made by others against me and the child. I agree to look only to such insurance for recovery in the event of an injury to the child.

I, for myself, my heirs, successors and assigns, do hereby release and covenant not to sue, and also agree to defend, indemnify and hold harmless, the Berlin Yacht Club, its officers, trustees, camp committee and others involved in management and operation of the Camp (collectively the “BYC”) from, for or on account or any and all bodily injury (including death) or property damage, or other loss, cost, damage, and expense, including reasonable attorney’s fees and expenses of litigation (hereafter “claim”) arising out of, or resulting from, the child’s participation in the Camp, and regardless by whom such claim is made and regardless of who or what was the cause thereof.

I understand the BYC is relying on the representation, agreements and commitments in this document in determining that the child may participate in the Camp.

I represent that I have separately provided to the camp organizers any and all directions and advice I feel is necessary for attempting to contact me and securing medical assistance in the event the child is injured or becomes sick, along with any special medical needs of the child. In the event of a situation not covered by the instructions given me, the BYC is authorized to use its or their personal judgment as to any emergency medical attention necessary in a given situation.

I represent that I have full power and authority to make the agreement, representations, and commitments in this document in a valid and lawfully binding manner.
